The Art Bee exists to ignite creativity.

The future our children will inherit is unknown...
so let's help them make it beautiful.

I am very proud of being a Batchelor of Arts,
qualified teacher and creator of The Art Bee
where your children will have freedom to explore ideas
and embrace mistakes, develop their ingenuity
through designing, painting and using mixed media.

In numbers, in science, in language, in literature,
in culture and in art... creativity is everywhere.
